

SUNIL TARIQ

Website Developer

suniltariq08@gmail.com | +92 325 1987313 | linkedin.com/in/sunil-tariq-7298523a0 | Lahore, Pakistan

PROFESSIONAL SUMMARY

Motivated Website Developer with hands-on experience building full-stack web applications using React, Node.js, Express, and MongoDB. Delivered real-world projects including a Real Estate Platform, Restaurant Website, and an AI-powered web application (SmartAsk AI) — all built with clean code, secure JWT authentication, and responsive UIs. Also developed a personal Portfolio Website using React.js. Skilled in modern website development, RESTful API development, and cloud deployment on Vercel and Render.

TECHNICAL SKILLS

Frontend: HTML5, CSS3, JavaScript (ES6+), React.js, Responsive Web Design

Backend: Node.js, Express.js, Python, Django, RESTful APIs, JWT Authentication

Database & DevOps: MongoDB, SQL Databases, Git, GitHub, Vercel, Render

Tools: VS Code, Postman, Microsoft Office, AI Developer Tools

Languages: English (Fluent) | Urdu (Native)

WORK EXPERIENCE

Website Developer

Freelance / Self-Employed

- Built and deployed full-stack web applications for real-world use cases with clean, scalable architecture.
- Designed RESTful APIs for seamless frontend-backend communication and implemented secure JWT authentication.
- Created responsive, mobile-first UIs and optimized application performance across the full stack.
- Worked with Python and Django to build and extend server-side logic for web application backends.
- Deployed projects to Vercel and Render; managed version control and collaboration using Git and GitHub.

KEY PROJECTS

Real Estate Platform (MERN Stack) — Property listing app with user authentication, search/filter functionality, and responsive design.

Restaurant Website (MERN Stack) — Full-stack restaurant site with menu listings, online reservations, and a responsive user-friendly interface.

SmartAsk AI (MERN Stack + AI) — AI-powered Q&A app integrating external AI APIs with a custom React frontend and Node.js backend.

Portfolio Website (React.js) — Personal portfolio showcasing projects, skills, and contact information with a clean, responsive layout.

EDUCATION

Diploma in Advanced Web Technology (DAWT) — Gold Medalist

2025 – Present

PNY Trainings — Arfa Software Technology Park, Lahore

- Intensive MERN Stack training — React, Node.js, Express, and MongoDB.
- Explored backend development with Python and Django alongside the core MERN curriculum.
- Developed full-stack web applications, REST APIs, and a personal portfolio website.

Intermediate in Computer Science (ICS)

2022 – 2024

Al-Razi College, Manawan Campus, Lahore

- Studied Computer Science fundamentals, programming concepts, algorithms, and IT systems.
